Ahmedabad, Gujarat
- ▶ **Indian School**  
Dar es Salaam, Tanzania, East Africa
- ▶ **Army Public School**  
RK Puram, Secunderabad

# INTERNATIONAL YOGA DAY

**"Yoga is the artwork of awareness on the canvas of body, mind, and soul."**

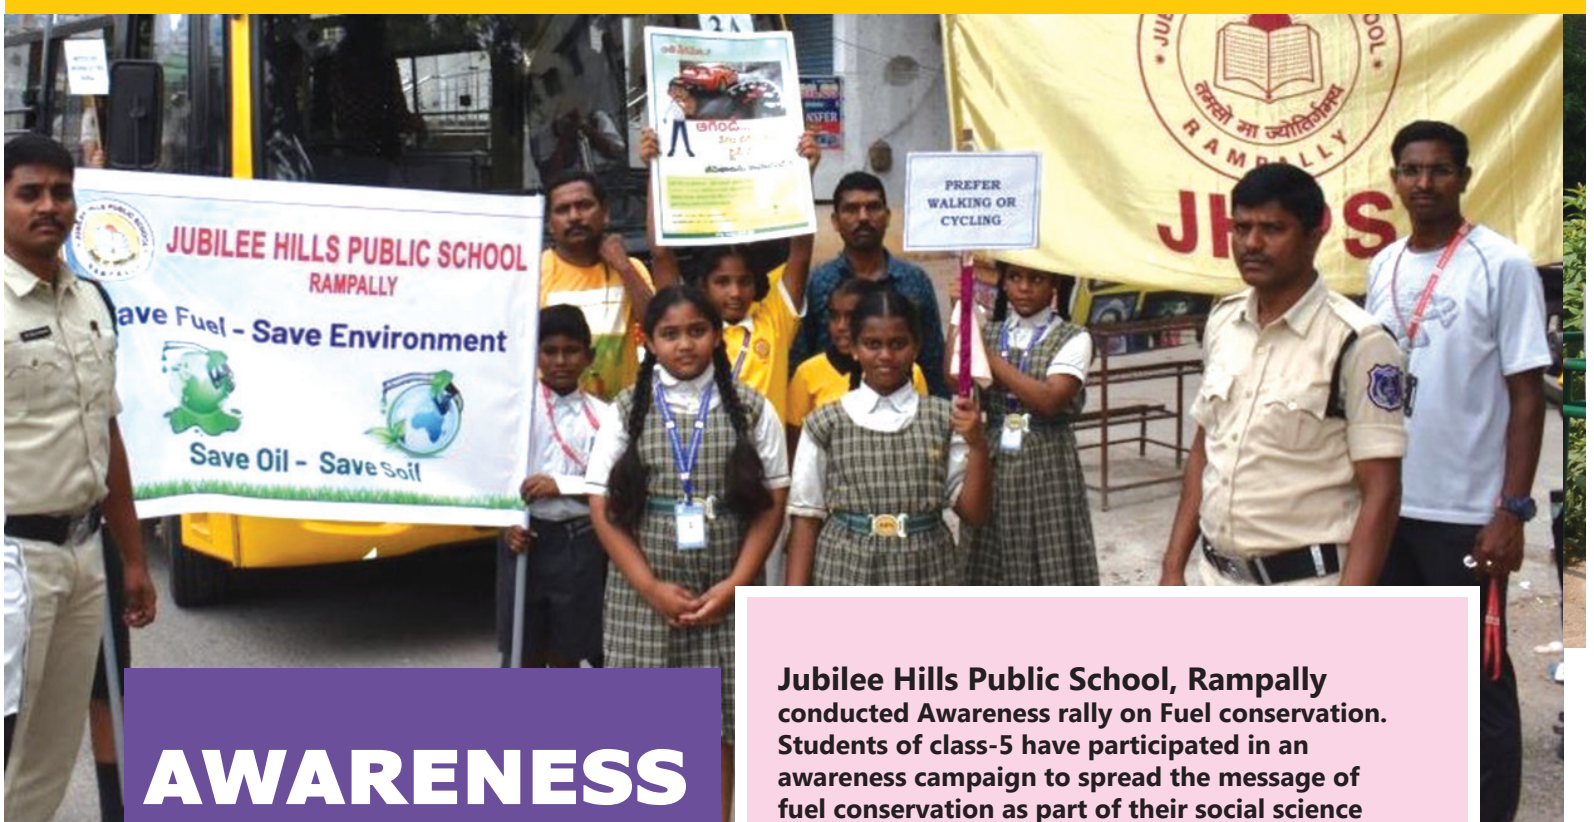

The International Yoga Day was celebrated with full vigour and vitality at the Jubilee Hills Public School - Rampally campus. The theme for 2024 is "Yoga for Self and Society". This theme emphasizes the two-fold benefits of yoga practice: enhancing personal well-being and fostering a more positive and harmonious society. In order to create a greater awareness to an energetic lifestyle and to foster the practice of healthy living, yoga day is celebrated all over the country. Yoga is the best way of living a life of longevity with all fervours of life as told by our ancestors.

Jubilee Hills Public School - Rampally has always been an ardent practitioner of such venerated and dynamic traditions that lead to the holistic development of a child.

All the students participated and performed the asanas starting with the Surya Namaskar asana. It was followed by a few more asanas that were practised. The procedure and benefit of each asana was explicitly defined. Teachers were also a part of this cheerful event in full swing.

# AWARENESS RALLY ON FUEL CONSERVATION

Jubilee Hills Public School, Rampally conducted Awareness rally on Fuel conservation. Students of class-5 have participated in an awareness campaign to spread the message of fuel conservation as part of their social science lesson. The walkathon started from ICOMM to Rampally cross roads.

It is a flagship public awareness campaign to spread the message of Fuel Conservation and Energy Efficiency and help in building a cleaner and greener India and also reduce its reliance on crude oil imports. The campaign aimed at reducing fuel consumption in and highlighting the adverse health and environmental impacts of increasing carbon footprints and convinces consumers to switch to cleaner fuels.

## VISIT TO **GOLCONDA** FORT

Students of Jubilee Hills Public School, Rampally, spanning classes 6 and 7, recently embarked on an immersive journey to the historic Golconda Fort in Telangana. Guided by their enthusiastic teachers, these young explorers ventured into the heart of this iconic monument, unraveling tales of the past and experiencing the grandeur of history. Amidst the fort's ancient walls, the students wandered through its corridors, discovering the Prison of Bhakta Ramdas and marveling at the eloquent inscriptions of the Nizams. With each step, they delved deeper into the stories woven into the fort's stones, connecting with the rich heritage of their land.

A highlight of their visit was reaching the fort's pinnacle, where they beheld a breathtaking view of the city below. This awe-inspiring sight painted a vivid picture of Telangana's historical and cultural tapestry, leaving an indelible impression on the students' hearts and minds. Their journey to Golconda Fort was not just a historical outing but an immersive learning experience. It ignited their curiosity and fostered a deeper appreciation for the legacy ingrained in their surroundings. As they returned, their thoughts filled with newfound knowledge, the echoes of Golconda Fort continued to inspire their quest for understanding history's intricacies.

This expedition exemplifies the commitment of Jubilee Hills Public School, Rampally to experiential learning, nurturing a profound connection between students and their cultural heritage. It's a testament to the school's dedication to shaping young minds and fostering a lifelong love for exploration and knowledge.

## ABOUT THE SCHOOL

At JHPS-Rampally, secondary education is defined as a holistic educational experience aimed at empowering students. The institution is committed to nurturing well-rounded individuals poised to excel in their future endeavours.

## CAREER COUNSELLING

"The dedicated career counselling team here provides individualised support by conducting assessments, offering guidance on academic and career options, and facilitating interactions with industry experts and alumni." "This program enables students to make informed choices aligned with their interests, strengths, and aspirations."

## EXPERIENTIAL LEARNING

Project-based learning, field trips, and practical demonstrations at JHPS, Rampally encourage students to explore concepts in real world contexts. "This approach enhances understanding and cultivates critical thinking, problem-solving, and teamwork skills."

## SCIENCE FAIR

The annual Science Fair at the school provides a platform for students to showcase their creativity, scientific knowledge, and research skills. "Students are actively engaged in the scientific process, from designing experiments to presenting findings, which ignites their curiosity and passion for STEM subjects,"

## BOARD PREPARATION

The comprehensive board preparation program at the school, which includes syllabus revision, practice assessments, time management strategies, and stress management techniques. "Additionally, mock examinations and feedback sessions help students build confidence and proficiency in tackling board exams effectively."

## CITY SCHOOL MARKS STRONG PERFORMANCE IN CBSE CLASS 10 BOARD EXAMINATIONS

**Jubilee Hills Public School - Rampally** recently reported a 100 per cent pass rate in the CBSE Class 10 board examinations. This success under- scores the effectiveness of the school's holistic educational strategies and the strong support network involving teachers, parents, and the broader school community.

### TESTIMONIALS FROM ACHIEVERS

#### ▼ K Nirmal Kumar 86.6%

K Nirmal Kumar, who scored 88.2 per cent, credited his success to the guidance he received from his educators. "What truly

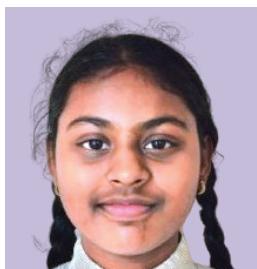

made a difference to my preparation was the guidance I received from teachers and mentors.

Their unwavering support and belief in my abilities kept me motivated throughout. I am overjoyed to see my hard work pay off. This experience has taught me valuable lessons that will stay with me for life," he explained.

#### ▼ MADURU PERSIS NEHA 86.6%

Similarly, Maduru Persis Neha, also with a score of 86.6 per cent, expressed her gratitude towards her support network at school. She remarked, "I am elated to have achieved such a score and thankful to all my teachers and friends for their steadfast support. The wealth of resources provided and insightful study materials have helped us understand better. The teachers were also very active during the last revision

days and have supported us well." "The institute is confident that its efforts will produce fruitful results in academic innovation. We believe that teachers are the most important and powerful force to quality education. We have produced results because of our system and hunger for continuous improvement,"

#### ▲ Dyagala Abhi Ram 86.6%

Dyagala Abhi Ram, scoring 86.6 per cent, attributed his achievements to his dedication and structured study habits. He stated, "My success was the result of disciplined study habits and hard work. I'm grateful for the support and encouragement from my teachers, which played a crucial role in my success. This achievement has boosted my confidence, and I'm now even more determined to excel in my future endeavours."

#### R LEELA SANTHOSH ▲ 86.8%

R Leela Santhosh, who achieved an 86.8 per cent mark, shared his systematic approach to the exams: "My preparation plan was simple. First, I studied the subject which I was weak in, and then I sorted the chapters from difficult to easy. I ensured that I was always calm and composed through my preparations. I took guidance from my teachers for critical topics. My future plan is to be the CEO of an MNC company."

# National Remote Sensing Centre (NRSC) Field Trip

On the very special day, i.e. "Children's Day", we the team of Jubilee Hills Public School – Rampally are feeling contented and exhilarated as we enabled our middle and high school children to hobnob with PSLV, GSLV, HRLS, Chandrayaan -1, Chandrayaan – 2, Bhuvan, Heat Shield and many more space research satellites and

technical equipment's including world famous remote sensing satellites at National Remote Sensing Center – NRSC, Outreach Facility – Jeedimetla. We would like to express our heartfelt gratitude to the scientists Mr. Ganesh, Mr. T. P. Sasidharan, Ms. Shefali and the whole team of NRSC.
