# FIELD TRIP TO WAKE-UP FARM AND GOSHALA

Students from Pre-primary till the 3rd grade visited Wake-Up Farm and Goshala recently where they had a hands-on learning experience that connected academic concepts with realworld applications, planted seeds and learnt about local plants and animals. At Goshala, they had the chance to interact with the caretakers and learn about the daily routines, including feeding, milking, and maintaining a clean shelter environment.

Recently, students from grades 1, 2, and 3 visited Wake-Up Farm and Goshala for an educational field trip focused on nature, farming, and animal care. At Wake-Up Farm, they planted seeds, learned about organic

farming, and took a nature walk to explore local plants and wildlife.

At Goshala, the students interacted with cows, learning about their role in farming, milk production, and the importance of caring for animals. They also gained insights into traditional farming practices and the significance of compassion for animals.

This trip provided valuable lessons sustainability, in animal welfare, and environmental responsibility, helping students develop a deeper appreciation for nature and farming.
