Dear Parent,

**Sub: Two levels of Mathematics for Class – X.**

CBSE has introduced the option for the students to choose between the two levels of Mathematics i.e. Standard (Higher level) and Basic (Lower level). (Refer to Circular No: Acad-03/2019)

The students based on their proficiency in Mathematics subject can opt for their suitable level i.e. Standard or Basic as per the following criteria:

**Standard level:** This is the existing level of syllabus and examination. This level will be meant for students who **wish to opt for Mathematics at Senior Secondary Level.**

**Basic level:** There will be **no change in syllabus**, classroom teaching and internal assessments for this level but the **final examination paper would be of an easier level.** The Basic level would be for students who are **not keen to pursue Mathematics at higher levels.**

**Compartment Exam:** Students from both Standard and Basic Level, can however opt for Basic level Compartmental Exam.
