Dear Parent,

Sub: Rationalization of Syllabus (Deleted portion)

Education is an ongoing process and the learning objectives at every stage are achieved during the span of education of the child in that particular level at school.

Keeping this in view the Syllabus for every class has been designed. Basic concepts required to delve into the subject have already been taught and higher concepts shall also be taught as per the requirement of the subject. It has been ensured that all the requisites that shall enable the child to master the subject have been incorporated in the portion of a particular class.

However for classes 9 to 12, the curriculum designed by CBSE in a similar manner shall be followed.

There shall be no stone unturned to impart the best of education to our students in making their future and thereby building a nation.

Please find attached the deleted portion of the respective class for your reference.
