Dear Parent,

Subject: **Update regarding notebook corrections**

As we progress through the academic year, our teachers remain deeply committed to ensuring your child's continuous learning and academic growth.

Our teachers are diligently and sincerely reviewing and correcting student notebooks, focusing on identifying areas for improvement, providing constructive feedback, and highlighting necessary corrections.

We would request you to check the remarks written by the teacher and train the students to improve their performance and coordinate with the teachers by taking prior appointment to discuss any academic concerns.

Parents may note that our teachers take immense care during this correction process but with the volume of checking few errors may be overlooked.

We appreciate your understanding and partnership in maintaining high academic standards.
