

Dear Parents,

Greetings from Jubilee Hills Public School!

We are delighted to welcome our students for the Academic Year 2026-27 with enthusiasm and positivity.

At JHPS-R, we remain committed to providing a progressive and supportive learning environment that prepares students to meet future challenges with knowledge, values and confidence. To make learning more engaging and meaningful, the school has integrated advanced educational resources that promote experiential learning while strengthening analytical and problem-solving skills.

In our continued effort to strengthen our students conceptual understanding and prepare them for future academic challenges, we are planning to provide the foundation course by the school itself. For classes 6, 7 and 8, we have incorporated the new integrated textbooks for Mathematics and Science (aligned with NEP Policy and NCERT) which will be taught by the school teachers during the school hours itself.
