# IN-SERVICE TRAINING ON ACTIVE LEARNING FOR TEACHERS

An **In-Service Training Programme** was conducted for teachers by **Ms. Usha Bharathi** on the topic **'Active Learning and Happy Classrooms'**.

The session was highly informative and engaging, focusing on innovative teaching strategies that promote student participation and meaningful learning experiences.

**Ms. Usha Bharathi** emphasized the importance of student centered learning. Collaborative activities, group discussion and hands-on experiences that prioritize safe and engaging environment among students were conducted. The training provided practical ideas and classroom applications that teachers can implement to make classes more interesting and effective.

# ONLINE ORIENTATION FOR PARENTS

**Online Orientation Program** were conducted for the parents of students from classes U.K.G to 5 and 6 to 10 for the academic year 2026-27.

**Director Ms. Varalakshmi** provided an overview of the school's infrastructure, highlighting the modern facilities, safe learning environment, well equipped classrooms, laboratories, library, sports amenities etc. available in the school.

**In charge Principal Ms. Suseela** highlighted the school's ethos and academic structure to familiarize the parents with the school's curriculum, academic expectations, and teaching learning practices. The importance of parental support in child's educational journey was highlighted.

The interactive session also addressed parents' queries and concerns, helping to build a strong partnership between the school and home. The program was well received and served as a meaningful step towards ensuring the academic success and holistic development of every student.

# INTERNATIONAL YOGA DAY

**Jubilee Hills Public School, Rampally** celebrated **International Yoga Day** on Saturday, the 20th June, 2026 with great enthusiasm and active participation by the students and staff.

The program aimed to create awareness among children about the importance of Yoga in maintaining a healthy body and peaceful mind. Demonstrations of simple yoga postures by students and breathing exercises like Suryanamaskar, Gomukhasana, Padmasana, Ardhachadraasana etc. were performed.

**Brahma Kumari Sister Swathi** was invited as a special guest. During her address, she explained the numerous benefits of meditation and self-motivation in a simple and engaging manner.

Celebrating Health, Flexibility And Serenity

# JAL PAKHWADA PROGRAM

As part of the **Jal Pakhwada Program** suggested by the **CBSE**, various activities such as **Art Competition, Quiz competition and Debate** were organized for students to create awareness about the importance of water conservation.

The **Art Competition** encouraged students to express their creativity through paintings and posters highlighting the need to save water and protect natural resources.

The **Quiz Competition** tested student's knowledge about water resources, conservation methods and environment issues.

The **Debate Competition** provided a platform for students to share their views and ideas. The **Jal Pakhwada program** successfully instilled the message of sustainable water usage among students and inspired them to become responsible citizens.

# KAUSHAL BODH ACTIVITY GRADE 6

**Grade 6 students** at **Jubilee Hills Public School, Rampally,** stepped out to launch a 'Kitchen Garden' project. As part of the **Kaushal Bodh (Skill Education) initiative,** the hands-on activity featured students exploring plant varieties, handling cultivation tools, preparing soil beds, and successfully sowing groundnut seeds.

Expanding on this exciting agricultural project, the students' visit involved several core components of organic farming:

**Identifying Plant Types:** Students learned to categorize plants and understand the life cycles of various crops grown on the school grounds.

**Understanding Cultivation Tools:** Instructors demonstrated the proper use of essential gardening implements, teaching the children how to safely use them.

**Preparing Soil Beds:** The children observed that the soil beds were prepared to allow proper drainage and root development.

**Planting Groundnuts:** Students carefully placed groundnut seeds into the prepared soil, learning about proper spacing and the depth required for the seeds to sprout.

By taking part in this hands-on project, the students gained practical agricultural skills and learned the value of sustainable organic farming.

# VIKRAM SARABHAI SCIENCE FOUNDATION SPOT 2025-26

Vikram Sarabhai Science Foundation conducts Spot Assessment Examination annually for students with aptitude to determine their conceptual knowledge and understanding of Science. Joel Lakra, Grade X, from Jubilee Hills Public School, Rampally cleared the second level of assessment conducted online - SPOT Prelims Qualifiers and SPOT Mains and secured a position in the Rank 4 category among the top 100 students.

He was entitled to an Internship for 3 days on Space Science at a prestigious institution in Delhi. Joel was conferred with a medal and a certificate. The Management wishes Joel Lakra success in his future space endeavours.

# WITNESSING LIVE CRICKET MATCH AT THE TG20 LEAGUE

The students of Jubilee Hills Public School, Rampally, embarked on an exciting educational and recreational trip to witness live cricket action at the TG20 League. The young cricket enthusiasts visited the iconic Rajiv Gandhi International Cricket Stadium in Uppal, immersing themselves in an electrifying, world-class stadium atmosphere. Students observed professional match strategies and field placements up close. Experiencing the game together fostered a strong sense of camaraderie and collective joy among the peer groups. At JHPS-R, we believe learning goes far beyond the four walls of a classroom.

Exposing students to such sporting events instils discipline, teamwork, and a lifelong appreciation for sports.
